Sir,

In Revenue (Special) Department G.O.No. 1561 Mis. dated 27th August 1920 Government sanctioned the taking over (D) the management by this Department of the Uppur school. The rent ~~hitherto~~ paid for the school ~~shed~~ shed was Rs 2/- per mensem. ~~This~~ But the school was shifted on 8th June 1925 to a new ~~pucca~~ masonry building, 45 ft. ~~length~~ long and 13 ft. ~~breadth~~ broad with a verandah of 45 ft. by 7 ft. on one side of it, the old shed having collapsed on account of the previous days storm.

2. The need for better accommodation was felt long ago and the owner of the old shed therefore undertook the construction of the present building which could accommodate 100 children. The present strength of this school is 73 distributed in

in 5 classes. The Sub Divisional Officer P.W.D. recommends a monthly rent of Rs10/-. A statement from the owner of the building that he is agreeable to this rent, has also been obtained. In the circumstances I request that you will be so good as to obtain the sanction of Government for the payment of rent at the rate of Rs10/- per mensem with effect from 8th June 1925.

3. The extra expenditure involved during the current year can be met by reappropriation from the provision of Rs3100/- under " 35 C Industries - Fisheries - VII Schools for Fishermen - Non-Contract Contingencies - voted - Miscellaneous" in the current year's budget.

I have the honour to be,
